POLICY INFORMATION

IN CASE OF A SERIOUS EMERGENCY

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

IF YOU NEED MEDICAL ASSISTANCE WHEN YOU ARE AWAY YOU SHOULD CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customers should receive emergency medical treatment or management regardless of their ability to pay or any other consideration. A failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

YOU SHOULD THEN CALL US ON +44 (0) 203 829 3816

Whilst the actual medical care you receive is in the hands of the local doctors treating you, we can obtain the medical information we need from them to establish what is wrong, as well as their treatment and discharge plans. We can support you in the event you are admitted to a facility that may not be suitable for your clinical needs or where there are concerns over practice.

We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so. We will liaise with the treating doctor to get a fit to fly certificate when needed, and with aero-medical experts who will advise on both the timing and method of repatriation that is best suited to your individual needs and your recovery.

It is important that you are aware of the following:

Medical Treatment	Repatriation (bringing you home)
<ul style="list-style-type: none"> • There is no cover for: <ul style="list-style-type: none"> ○ routine, non-emergency or elective treatment ○ or treatment that can wait until you return home. • Our doctors are not treating you; they are not responsible or in control of the clinical care you are receiving in a medical facility. • In some instances, you may need to be moved from one local facility to another larger/more specialised facility, for treatment. • Having travel insurance does not ensure a 'fast track' medical service from the treating facility, much like the NHS – emergency service rooms can be busy at certain times and so it is possible you may have to wait as you would in your local NHS hospital unless you require critical care. • Once you are discharged from hospital this does not always mean you are fit to fly home – For example, if you were in the UK and suffered the same injury/illness, then you would not consider flying out on holiday so soon after surgery/treatment/incident. • Some medical facilities will raise charges that are far in excess of customary and reasonable; we will deal with such bills directly and there is no need for you to pay them. You simply need to pass any correspondence about such bills to us to ensure we can provide full financial protection. 	<ul style="list-style-type: none"> • Coming home straight away is not always an option even if you are considered 'fit to fly' by the treating doctor. • We have a medical team with experience in aviation medicine who will advise on both the timing and method of repatriation which is best suited to your individual needs and your recovery. • Most airlines require specific criteria to be met in order to accept a 'medical passenger'. • Things change – if your health, stability or vitals change – then so do the plans. • Availability of air ambulances, stretchers and appropriate medical escorts can be limited in specific areas and at different times of the year. • Air Ambulances are 'flying intensive care units' and are only used to transport critical patients to a hospital in the UK, if treatment is not possible where they are.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private medical facilities if we have confirmed that medically capable public facilities are available.

FOR A NON-URGENT MEDICAL SITUATION

That is something you would normally see your GP or minor injuries unit for, so you don't need to attend hospital but you do need some medication to treat a non-emergency situation. Like what? Poorly child with tonsillitis? Infected cut on your foot? We have teamed up with **Medical Solutions UK Ltd**, who offer UK Registered Doctors who give medical support and assessment over the phone and are able to prescribe in many countries across the globe. This means you can quickly access support with minor ailments without disrupting your trip too much. You can access this facility free of charge by calling

+44 161 468 3793.

YOU CAN ALSO CALL 112 OR THE LOCAL EQUIVALENT OF 999

Customer should receive emergency medical treatment or management regardless of their ability to pay or any other consideration, a failure or refusal by a treating hospital or treating doctor to provide emergency treatment, management or care is a clear breach of an established duty of care.

OPTIMAL CARE

In our experience the access to the best doctors, diagnostics and optimal care in many areas of the world (particularly in Europe but also across many destinations worldwide) are limited to state facilities. They don't always look as nice, but we have experience of good clinical outcomes within a regulated environment without the risk of a patients' health being compromised over commercial interest, immoral and dangerous practices such as extortion, detainment and withdrawal of treatment you are unlikely to find occurring in state facilities. If you would like to know more about our approach to best medical care overseas and repatriation planning, please visit our website <https://philosophies.tifgroup.co.uk/>

IN THE EVENT THAT YOU DO RECEIVE OUT-PATIENT TREATMENT WHEN YOU ARE TRAVELLING

In European Union Countries – if you present yourself at a public facility you should show your EHIC.

In Australia – you should enrol for Medicare, and have it accepted.

Using these agreements in public facilities will mean that medical treatment will be free, or at a reduced cost, and your standard policy excess will be waived from any claim you may make. If you are unable to use the EHIC, you will have to pay the medical facility and submit a claim when you get home, the policy excess will then be applied.

In Turkey, Cyprus, Egypt and Bulgaria – we utilise the services of Global Excel who can arrange for the bill to be paid directly. You simply fill in a Global Excel form in the medical facility to confirm the nature of the treatment received and pay your policy excess to the facility. They will then send the remaining bill directly to Global Excel for payment. More information can be found here www.globalexcel.com

Everywhere else in the World – if there is not suitable public facility that will treat you free of charge, you can pay the medical facility and retain all receipts so that you can make a claim when you get home.

PLEASE NOTE: If the costs are likely to exceed £500 or you are admitted to hospital, you should call us on **+44 (0) 203 829 3816.**

This policy is primarily designed for travellers with existing medical conditions and anyone who is insured under this policy. For the purposes of this insurance, **you** are considered to have an existing medical condition if you answer "Yes" to any part of the following question, which you were asked when you applied for insurance with us:

Have you, or are you, or anyone in your party;

- taken any prescribed medication, or received any medical treatment in the last 2 years;
- attended a **medical practitioner's surgery**, or hospital or clinic (out-patient or in-patient) in the last two years;
- awaiting medical treatment or investigation;
- been diagnosed by a medical practitioner as suffering from a terminal illness.

NOTE: All existing medical conditions must be disclosed as well as any previous medical conditions which could have an impact on **your** current health

PLEASE NOTE:

- You must be fit to undertake your planned trip;
- You must not travel against medical advice or with the intention of obtaining medical treatment or consultation abroad;
- We will cover you for existing medical conditions you have declared to us and which we have accepted in writing. These medical conditions are set out in the "Medical Declaration";
- You must declare all existing medical conditions as well as any previous medical conditions which could have an impact on your current health. If you declare some existing conditions and not others your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid.
- Should you decide not to pay the additional premium for an existing medical condition your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid.
- We will not cover you if your state of health was worse than **you** declared to us at the time you purchased this policy;
- Please check that the information set out in the "Medical Declaration" is correct. If not, you must call Good2Go Extra on 0800 294 2969 to tell us. If the information is incorrect your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid.
- Your policy may be cancelled or treated as if it never existed and or your claims may be rejected or not fully paid if a claim is made relating to a medical condition, illness or injury of the Insured Person(s), or any person who your travel depends on, which you or they knew about before you bought this insurance, or which develops before your outward journey where we have not been notified.
- We reserve the right to increase the premium, increase the excess, exclude the condition or withdraw the cover should the stability of the condition make it necessary.

NON-TRAVELLING RELATIVES

If you have a non-travelling close relative with an existing medical condition who dies or falls seriously ill, and as a result you wish to cancel or curtail your trip, you will be covered only if the relative's Medical Practitioner states that at the time insurance was taken out, or the trip was booked, whichever is the latter, he/she would not have foreseen such a serious deterioration in his or her patient's condition.

WAITING LIST

If you are currently on a waiting list for treatment or investigation, our policy will not provide cover for Cancellation or Curtailment under the following circumstances: -

- You receive an appointment for treatment or investigation which conflicts with your planned trip, or
- As a result of the awaited treatment or investigation you become unable to travel on your planned trip.
- Being on a waiting list for treatment or investigation does not affect cover whilst you are away for medical conditions which have been declared to and agreed by us. Should you become aware of a change in your diagnosis before you travel, please notify us immediately. If you are awaiting an initial diagnosis for symptoms you are currently experiencing, we are unable to confirm cover until you have a confirmed diagnosis.

CHANGE IN CIRCUMSTANCES

If you suffer an injury, illness or change in your current existing medical condition(s), including any changes to medication, after taking out this insurance but before starting your trip (this is known as a change in circumstance) you will only be covered by Section A, cancellation cover of this policy. Any change in circumstances must be notified to us and accepted in writing. TO DECLARE A CHANGE IN YOUR CIRCUMSTANCES, YOU MUST CONTACT US DURING OFFICE HOURS ON **0800 294 2969** TO SEE IF WE CAN PROVIDE COVER FOR YOUR TRIP. WE may in the light of such changed circumstances not be able to continue cover under sections A and B of this insurance. If this is not acceptable to you, we will cover you for any loss of deposit or cancellation charges you have necessarily incurred up to the date of the change of circumstances that are normally covered under Section A of this insurance. In these circumstances, no policy excess will be applied.

PREGNANCY

Pregnancy and Childbirth are not considered to be medical conditions. **Our policies are designed to include cover under the Cancellation section (Policy A Section 1), Curtailment section (Policy B Section 1) and Medical and Repatriation Expenses section (Policy B Section 4) for Pregnancy and Childbirth from week 0 to week 28 inclusive for a single pregnancy, or week 0 to week 24 inclusive for a multiple pregnancy, whilst you are away. From the start of week 29 and up until week 40 for a single pregnancy, or the start of week 25 and up until week 40 for a multiple pregnancy, cover is only provided under the Cancellation section (Policy A Section 1), Curtailment section (Policy B Section 1) and Medical and Repatriation Expenses section (Policy B Section 4) if any of the following complications arise:** Toxaemia, Gestational hypertension, Ectopic pregnancy, Post-partum haemorrhage, Pre-eclampsia, Molar pregnancy or hydatidiform mole, Retained placenta membrane, Placental abruption, Hyperemesis gravidarum, Placenta praevia, Stillbirth, Miscarriage, medically necessary Emergency Caesarean, A termination needed for medical reasons, Premature birth more than 12 weeks (or 16 weeks if you know you are having more than one baby) before the expected delivery date. The policy will not cover any claims relating to normal pregnancy or normal childbirth. **Please note we will not cover denial of boarding by your carrier, so you should check that you will be able to travel with the carrier/airline in advance. It is essential, if at the time of booking your trip you are aware that you are pregnant, that you ensure that you are able to have the required vaccinations for that trip; no cover will be provided for cancellation in the event that, after booking you discover travel is advised against, or you are unable to receive the appropriate and required vaccinations for that country. Please make sure your Medical Practitioner and Midwife are aware of your travel plans, and that there are no known complications and you are fit to undertake the planned trip.**

YOUR POLICY WORDINGS	Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, and information on what to do if you need to claim. The policy is a legal contract between us and you. We will pay for any insured event, as described in the policy, that happens during the period of validity and for which you have paid the appropriate premium. Travel insurance policies have specific requirements for both purchasing and making successful claims. <u>Please take the time to read and understand it</u> straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered); if your circumstances do not fit those specified then there is no cover in place.
PERIOD OF INSURANCE	The period of insurance for all sections except the cancellation section commences when you leave home in the UK, Channel Islands or BFPO to start your trip and ends when you have returned to your home in the UK, Channel Islands or BFPO as shown on the Schedule of cover and limits. The period of insurance under the cancellation section for Single Trip insurance commences when the premium has been paid and ends when you depart the UK, Channel Islands or BFPO on your outward journey. For Annual Multi Trip insurance, the cancellation section commences from the start date of the policy. Please note that cancellation cover is not in force until that date. Subsequent trips will be covered for cancellation provided that they fall within the start and end date of the insurance as shown on the Schedule of cover and limits. If you have chosen an Annual Multi Trip Insurance, the outward journey and return journey from and to, your home in the UK, Channel Islands or BFPO must be pre-booked prior to the outward journey and take place during the start and end date of the insurance as shown on the Schedule of cover and limits. The total duration of any one trip is limited to a maximum of 31 days and any trip exceeding this duration will not be covered in whole or in part (unless the appropriate premium has been paid to increase the duration and this is confirmed in writing).
EXTENSION COVER	If you are unable to complete the trip before your travel policy expires, cover will be automatically extended without additional premium for the additional days necessary to complete the trip in the event of either your: <ul style="list-style-type: none"> • death, injury or illness during your trip, • delay or failure of public transport services during your trip, • delay or failure of your return flight to the UK, Channel Islands or BFPO from your international departure point; If you request an extension of the period of insurance (for any reason not listed above), after the commencement of travel you must contact us and advise us of any circumstances which at the time of such request could reasonably be expected to cause a claim under this policy and your policy must not have expired.
CANCELLING YOUR POLICIES	<p>Under the Financial Conduct Authorities, Insurance Conduct of Business, Right to Cancel (chapter 7) You have cancellation rights as follows: All benefits of the policy will be cancelled. You have a ‘cooling off’ period where, should you decide that you find that the terms and conditions do not meet your requirements and provided you have not travelled or claimed on the policy, you can advise Good2Go Extra within 14 days of purchase for a full refund to be considered. Should you wish to cancel your policy outside of the 14-day cooling off period, and can confirm that there have been no claims on the policy and that you have not travelled, in addition to a £18 administration charge; the following cancellation terms will be applied dependant on what type of policy you have purchased. Single Trip policies of one-month or less trip duration - no premium will be refunded, however in exceptional circumstances we may offer a discretionary refund if you have not already travelled and are not intending to claim or have made a claim (irrespective of whether your claim was successful or not). Single Trip policies of more than one-month trip duration - a refund of 50% of the policy premium. If you have travelled or are intending to claim or have made a claim (irrespective of whether your claim was successful or not) we will not consider refunding any amount of your premium. Annual Multi Trip policies - Provided you have not made a claim (irrespective of whether your claim was successful or not) on the policy and you confirm in writing that there is no claim pending, should you chose to cancel and understand that all benefits of the policy will be cancelled, we will refund 1/12th of the total premium paid, for each full calendar month remaining on the policy from the date of cancellation. If you are intending to or have claimed (irrespective of whether your claim was successful or not) we will not consider refunding any proportion of your premium. We reserve the right to give 7 days’ notice of cancellation of this policy, without refund, by recorded delivery to you at your last known address in the event of the following circumstances; fraud, suspected fraud, misleading information or deliberate misrepresentation, abusive behaviour to any of our staff or agents. We also reserve the right to cancel your policy immediately if we have spoken directly to you and you are no longer eligible for cover examples of this include you not being able to meet the criteria for purchase or us not being able to offer you cover for any medical conditions.</p>
BE CAUTIOUS	This policy is designed to cover most eventualities whilst you are on your trip. It does not provide cover in all circumstances and we expect that you take all possible care to safeguard against accident, injury, loss or damage as if you had no insurance cover.
MEDICAL COVER	Your travel policy is not Private Health Insurance, in that it only covers unavoidable, unexpected emergency treatment. You need to check that you have had all the recommended vaccinations and inoculations for the area you are travelling to. It is also recommended that you check with your doctor that it is safe for you to travel bearing in mind your method of travel, the climate and the availability and standard of local medical services in your chosen destination. You will then need to declare your existing medical condition, and have it accepted by Good2go Extra for it to be eligible for cover under your policy. You may be required to obtain your medical records in the event of a claim. It is often wise to carry additional supplies of your regular prescribed medications in your hand luggage in case your bags are delayed. Cover will not be granted if travel is against the advice of your doctor or a medical professional such as your dentist.
EHIC	The European Health Insurance Card (EHIC) allows you (provided you are a UK or BFPO resident) to access state-provided healthcare in all European Economic Area (EEA) countries and Switzerland at a reduced cost and in many cases free of charge. We strongly recommend that you carry it with you when travelling abroad. Remember to check your EHIC is still valid before you travel. Applying on www.ehic.org.uk for the card is free and it is valid for up to five years. If your EHIC is accepted whilst obtaining medical treatment abroad your policy excess will be reduced to Nil (with the exception of increased excess relating to declared medical conditions). If you are travelling outside the EEA then there are some countries that have reciprocal agreements with the UK and the Channel Islands and these can be found on http://www.nhs.uk/NHSEngland/Healthcareabroad/countryguide/NonEEACountries/Pages/Non-EEACountries.aspx Please note residents of the Isle of Man or Channel Islands are not eligible for an EHIC.
MEDICARE	If you are travelling to Australia, you must register with Medicare on arrival. There is a Medicare office in all major towns and cities in Australia. Registration is free and this will entitle you to reduced medical charges from doctors, reduced prescription charges and access to Medicare hospitals.
USA MEDICAL COSTS	Medical providers in the USA routinely charge international patients many times higher than it costs them to provide service. As this policy covers reasonable medical expenses, we will not pay excessive or inflated charges for your treatment so it is important that you do not pay any medical providers up front, either at the time of your treatment or on your return to the UK. They may engage the services of collection agencies, but any correspondence should simply be sent on to us, unanswered: there is no lawful action that can be taken which we cannot step in and take over on your behalf.
EXCESS	Your policy carries an excess, and this is the amount you must contribute towards each claim. All excesses shown for this policy are per section and are payable by each insured-person, for each incident giving rise to a separate claim. Your excess may be increased to include existing medical conditions (including anything directly or indirectly related to that condition) confirmed in writing by us. The increase excess will apply to all persons insured on the policy whose claim has been caused by the declared medical condition.
CONDITIONS OF THE INSURANCE	The terms of any insurance that we arrange on your behalf will be based upon the information provided by you to us. You must take reasonable care to answer all questions put to you about your proposed insurance fully, honestly and to the best of your knowledge. If you don’t understand the meaning of any question, or do not know the answer it is vital that you tell us. Once cover has been arranged, you must contact us immediately to notify us of any changes to the information that has been previously provided to us. The most serious consequence of failing to provide full and accurate information before you take out insurance or when your circumstances change, could be the invalidation of your cover and in that instance, it would mean that a claim will be rejected.

We will then advise on, and can put in place, suitable repatriation plans to get you home as soon as it is medically safe to do so.
