In Case of a Serious Emergency

Your travel insurance policy is not a private medical insurance policy and does not cover private medical treatment, private hospital costs or other related expenses incurred unless these have been specifically agreed and authorised by the Medical Emergency Assistance Company.

This policy is only designed to cover **you** for emergency treatment. Emergency treatment means unforeseen and unplanned treatment that is needed for the sudden onset of an acute condition, which for medical reasons and in the opinion of **our** Medical Emergency Assistance Company, cannot be delayed until **you** return to the **United Kingdom** and could be undertaken in the **United Kingdom** if **you** were to return **home** (at **your** own cost). The decision of the Medical Emergency Assistance Company is final.

An acute condition means: A disease, **illness** or injury that is likely to respond quickly to treatment which aims to return **you** to the state of health **you** were in immediately before suffering the disease, **illness** or injury, or which leads to **your** full recovery.

The Medical Emergency Assistance Company will provide immediate help if **you** are **ill**, injured or die outside the **United Kingdom**. They provide a 24-hour emergency service 365 days a year. The contact details are as follows:

Phone: + 44 (0)203 819 7170

E-mail: internationalhealthcare@healix.com

Please read this policy and carry it with you during your trip

Please have the following information available when **you** (or someone on **your** behalf) contact the Medical Emergency Assistance Company so that **your** case can be dealt with swiftly and efficiently:

- **Your** name and address;
- **Your** contact phone number abroad including the hospital and treating **doctors** details;
- **Your** policy number shown on **your** Policy Schedule; and
- The name, address and contact phone number of **your** GP.
- Quote the scheme name which is: Free Spirit Flex.

Please note: This is not a private medical insurance. If **you** go into hospital abroad and **you** are likely to be kept as an in-patient for more than twenty four (24) hours or if **your** outpatient treatment is likely to cost more than £500, someone must contact the Medical Emergency Assistance Company for **you** as soon as reasonably possible. If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** in-patient or outpatient treatment.

In the event that **you** require in-patient hospital treatment and/or evacuation /repatriation, it is imperative that the Medical Emergency Assistance Company is contacted and authorisation obtained prior to such treatment and/or evacuation/repatriation taking place.

Failure to contact the Medical Emergency Assistance Company and obtain authorisation may prejudice the claim and could mean that some or all of the costs involved may not be paid. **You** should not attempt to find **your** own solution and then expect full reimbursement from **us** without prior approval first having been obtained from the Medical Emergency Assistance Company.

If **you** have to return to the **United Kingdom** under section B3 - Curtailment/Loss of Holiday or B1 - A. Emergency Medical & Associated Expenses, the Medical Emergency Assistance Company must authorise this. If they do not, **we** may not provide cover or **we** may reduce the amount **we** pay for **your** return to the **United Kingdom**.

Your Policy Wordings

Your insurance document shows details of both pre-travel and travel insurance policies, including the sections of cover, limits, conditions, exclusions, information on what to do if **you** need to claim, how to obtain legal advice and how to contact the 24 hour Medical Emergency Assistance Company.

Your travel insurance policy is not intended to cover items of high value, such as video camcorders, expensive watches etc., as these should be fully insured under **your** house contents insurance on an All Risks extension for 365 days of the year. There is a maximum amount **you** can claim for each individual item. There is a maximum amount in total for **valuables** which is shown under the **personal possessions** section. The **personal possessions** section is *not* 'new for old' and wear, tear and depreciation will be deducted.

PLEASE NOTE: This is a travel insurance policy and not private medical insurance. This means there is no cover for any medical expenses incurred in private facilities if we have confirmed that medically capable public facilities are available.

There is no cover for routine, non-emergency or elective treatment, or for treatment that can wait until **your** return **home**.

In some instances, **you** may need to be moved from one local facility to another larger/more specialised facility, for treatment.

Having travel insurance does not ensure a 'fast track' medical service from the treating facility, emergency rooms can be busy at certain times and so it is possible **you** may have to wait, unless **you** require critical care.

Once **you** are discharged from hospital this does not always mean **you** are 'fit to fly' **home**.

The policy is a contract between **us** and **you**. **We** will pay for any insured event, as described in the policy, that happens during the period of validity and for which **you** have paid the appropriate premium.

Travel insurance policies have specific requirements for both purchasing and making successful claims. Please take the time to read and understand it straight away as not all policies are the same. All risks which are covered are set out clearly in sections with conditions, limits and exclusions (things which are not covered).

All numbers and letters shown under 'For each **insured-person** this insurance will not cover' refer to the same numbers and letters under 'For each **insured-person** this insurance will pay'. Where no letters or numbers are shown it applies to the whole section. If **your** circumstances do not fit those specified then there is no cover in place.

Your Excess

Under some sections of the policy an excess will apply to each claim, per section, for each separate incident payable per **insured-person**. This means that **you** will be responsible for paying the first part of the claim for each incident giving rise to a separate claim. The amount **you** have to pay is the excess.

Your excess may be increased to include **existing medical conditions** (including anything directly or indirectly related to that condition) confirmed in writing by the Medical Declaration Service. The increased excess will apply to all persons insured on the policy whose claim has been caused by the declared **medical condition**.

If **you** have paid the additional premium for 'Excess Waiver', the excess would be reduced to Nil in the event of a claim (the excess for Sections B13 - Gadget Cover and B15 - Travel Dispute would still apply). Note: any excess imposed by **us** following **your** call to the Medical Declaration Service, would still apply.

Trip Extensions

Trip extensions if you decide you wish to extend your trip whilst overseas

If, once **you** have left the **United Kingdom** and before the end of the **period of insurance**, **you** decide **you** want to extend **your** policy, please contact Customer Services on **0333 003 0021**. Extensions can usually only be considered if there has been no **change in health** (or that of a **close relative** or **business associate**) and no claim has been made or is intended to be made and no incident likely to give rise to a claim has occurred.

However, should there have been a **change in health** or **you** are aware that a claim has been made or will need to be made under the original policy, then **we** may still be able to consider the extension, provided full details are disclosed to **us** for consideration.

Trip extensions if you are unable to return home from your trip as planned

If, due to unexpected circumstances beyond **your** control, for example, due to **illness** or injury or unavoidable delays affecting **your** return **flight** or **public transport**, **your trip** cannot be completed within the **period of insurance** outlined in **your** policy schedule, cover will be extended for **you** at no extra cost for up to thirty (30) days. This also applies to one person travelling with **you** who is authorised to stay with **you** by the Medical Emergency Assistance Company if the extension is due to medical reasons. All requests for more than thirty (30) days must be authorised by the Medical Emergency Assistance Company.

Trip extensions – travel disruption caused by a pandemic/epidemic (including Coronavirus)

If, as a result of a **pandemic** and/or **epidemic** (including but not limited to **Coronavirus**), **you** are unable to return to the **UK** as planned, due to:

- a) a country closing their borders and/or
- b) the cancellation or delay of **your** booked **public transport**

and as a result **you** wish to extend coverage under **your** current policy, please contact Customer Services on: **0333 003 0021**. **We** will need full details of **your** circumstances, to allow **us** to consider any such request. Please be aware, that all such extension requests will be considered, but cannot be guaranteed.

Expiry Of Your Policy

If **you** have Annual Multi-trip cover, **we** will contact **you** prior to the expiry of the **period of insurance** as shown on **your** Policy Schedule. **We** will give **you** at least 21 days written notice before the expiry date.
