# **RECIPROCAL HEALTH ARRANGEMENTS**

- If you already have a valid EHIC, it will continue to entitle you to reduced-cost, sometimes free, medical treatment that becomes
  necessary while you are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU)
  countries plus Iceland, Liechtenstein and Norway. Cover will end on the expiry date of your EHIC.
- If **you** do not have a valid EHIC or it is due to expire before **you** travel, **you** can apply for a GHIC. This entitles **you** to reduced-cost, sometimes free, medical treatment that becomes necessary while **you** are in a European Union (EU) country.
- These cards give access to state-provided medical treatment only. Remember, this might not cover all the things you would expect to
  get free of charge from the NHS in the UK. You may have to make a contribution to the cost of your care.
- You may apply for a GHIC online at www.ghic.org.uk or by calling 0300 330 1350.

In the event of liability being accepted for a medical expenses claim, which has been reduced by the use of a GHIC or EHIC, **we** will not apply the deduction of the excess under Section E - Emergency Medical/Dental Cover Abroad.

#### NOTE

The EHIC/GHIC does not cover the cost of medical treatment in a private **hospital** or clinic, the additional cost of returning to **your country of residence** or for a relative to stay or fly out to be with **you**. In a medical emergency **you** may have no control over the **hospital you** are taken to and the closest **hospital** may be private.

#### **AUSTRALIA**

- If you are travelling to Australia you can enrol in Medicare which will entitle you to subsidised hospital treatments and medicines. You can do this by contacting a local Medicare office in Australia.
- All claims for refunds under the Medicare scheme must be made before you leave Australia. For more information on Medicare visit: www.medicareaustralia.gov.au or email: medicare@medicareaustralia.gov.au

#### **LEVEL OF MEDICAL COVER PROVIDED**

This is not a private medical insurance *policy* and it only gives cover for emergency medical treatment in the event of an *accident* or unexpected illness occurring during *your trip*.

# **PREGNANCY**

As is consistent with the treatment of all medical conditions under the *policy*, the *policy* does not cover the costs or losses for any consultation or treatment associated with normal pregnancy (including multiple pregnancy) or childbirth. This includes, but is not limited to, delivery by caesarean section or any other medically or surgically assisted delivery which does not cause medical complications. The *policy* does, however, provide cover for *your* unexpected *complications of pregnancy or childbirth* which occurs while on *your trip* excluding costs incurred during the period between 12 weeks before and 12 weeks after the estimated date of delivery (or 16 weeks in the case of a multiple pregnancy).

# DESCRIPTION OF COVER

In this section, we will describe the many different types of cover which is included in your policy. We explain each type of cover and the specific conditions that must be met for the cover to apply.

**NOTE:** Exclusions may apply.

# A. TRIP CANCELLATION

If **your trip** is cancelled or rescheduled for a **covered reason** listed below, **we** will reimburse **you** for **your** non-refundable **trip** payments, deposits, cancellation fees and change fees (less any available **refunds** and excluding costs relating to educational, training or study course fees), up to the maximum benefit for 'Trip Cancellation' shown in the 'Cover Summary' less the excess.

NOTE: This benefit only applies before you have left for your trip.

Also, if **you** prepaid for shared **accommodation** and **your travelling companion** cancels their **trip** due to one or more of the **covered reasons** listed below, **we** will reimburse any additional **accommodation** fees **you** are required to pay.

**IMPORTANT:** You must notify all of your travel suppliers as soon as you know that you will need to cancel your trip (this includes being advised to cancel your trip by a doctor). If you delay notifying any travel suppliers and get a smaller refund as a result, we will not cover the difference. If a serious illness, injury or medical condition prevents you from being able to notify your travel suppliers within that period, you must notify them as soon as you are able.

#### Covered reasons:

 You or a travelling companion becomes ill or injured, or develops a medical condition disabling enough to make you cancel your trip (including being diagnosed with an epidemic or pandemic disease such as COVID-19).

#### The following condition applies:

- a. A doctor advises you or a travelling companion to cancel your trip before you cancel it.
- A family member who is not travelling with you becomes ill or injured, or develops a medical condition (including being diagnosed with an epidemic or pandemic disease such as COVID-19).

    - i. The quarantine is specific to you or a travelling companion, meaning that you or a travelling companion must be specifically and individually designated by name in an order or directive to be placed in quarantine due to an epidemic or pandemic; and
    - ii. The quarantine does not apply generally or broadly (a) to some segment or all of a population, geographical area, building or vessel (including shelter-in-place, stay-at-home, safer-at-home or other similar restriction), or (b) based on to, from or through where the person is travelling. This condition (ii) applies even if the quarantine order or directive specifically designates you or a travelling companion by name to be quarantined.
- 5. You or a travelling companion is in a traffic accident on the departure date.

#### The following condition must apply:

- a. Your or a travelling companion's vehicle needs to be repaired because it is not safe to operate.
- You are legally required to attend a legal proceeding during your trip.

#### The following condition applies:

- 3. Necessary transportation expenses you incur to continue your trip or return to your primary residence.
  - We will reimburse you either for the return travel carrier ticket to your country of residence or for the non-refundable portion of your original return ticket, but not both.

NOTE: We will only cover additional return travel expenses if you have already paid for a return ticket.

4. Necessary additional accommodation and transportation expenses if the interruption causes you to stay at your destination (or the location of the interruption) longer than originally planned. There is a maximum cover of £50 (Bronze) or £100 (Silver and Gold) for each person insured under this policy per day for 10 days.

**IMPORTANT:** You must notify all of your travel suppliers as soon as you know that you will need to interrupt your trip (this includes being advised to interrupt your trip by a doctor). If you delay notifying any travel suppliers and get a smaller refund as a result, we will not cover the difference.
