Quick read info

Before you travel

If you need to make any changes to your policy, if you need to cancel, or if you notice anything that doesn't look right with your documents, please call us on **0333 003 0021**.

Before you travel, you should obtain a Global Health Insurance Card (GHIC) by completing an application form via www.ghic.org.uk.

This card allows UK residents and European citizens to take advantage of the health agreements between countries in the EU. A UK-issued EHIC (European Health Insurance Card) is also still valid and accepted until expiry and can be used in place of a GHIC.

If you need medical attention while travelling to a country in the European Union (EU), you should receive inpatient treatment in a public hospital where possible. If you are admitted to a public hospital, you should present your GHIC / EHIC to the hospital; if you are unable to do so, you must cooperate with the medical assistance department to obtain a card.

Please check the countries where you can use a GHIC/EHIC card as this can change. Countries where you can use each card are listed on the following website:

<http://www.nhsbsa.nhs.uk/get-healthcare-cover-travelling-abroad/where-you-can-use-your-card>

The maximum length of travel for any single trip on this policy, from your first departure date to your original or any revised return date, is 185 days up to age 65. Age 66 and above will be restricted to 45 days of travel on a single trip policy. The longest trip duration on an annual multi-trip policy is 31 days per trip.

How this policy works

Giving us the facts

It's important you give us complete and accurate information at all times. If you don't provide accurate information, we may not be able to pay the claim.

If you notice any information on your medical declaration isn't right, or if your circumstances change, you should tell us straight away. For example, if your medical conditions change after you buy your policy, you should let us know by contacting us using the following options:

Phone: **0333 003 0021**

Email: admin@justtravelcover.com

This policy covers unexpected events. Claims related to circumstances that you were aware of at the time you bought this insurance that you did not disclose to us are not covered.

By "unexpected", we mean that you had no reason to think this would happen when you booked your trip or bought this insurance.

Who is covered

Everyone named on your policy schedule is covered by this insurance policy. No one else has rights under this policy.

What dates are you covered from and to

You are covered for any insured claim event that takes place within the start and end dates of your insurance, subject to the terms and conditions of this policy that are set out in this document.

This insurance is only valid when it is bought before you depart for your planned trip.

If you bought a single trip policy

Trip cancellation coverage starts from the day you bought your insurance until the day of your departure. All other benefits on your policy provide coverage from the day of departure until your return to your permanent residence in the UK.

This insurance is valid only when it is bought before you depart for your planned trip.

If you bought an annual multi-trip Policy

Your policy begins on the date you requested when you took out the policy. This date is shown on your policy schedule. Your policy ends one year later and is also shown on your policy schedule.

The longest length of trip for which you are covered is listed on your policy schedule.

Where you are covered

You're covered for travel to the countries, territories, or region listed on your policy schedule.

Your cover is subject to any travel restrictions or exclusions issued by the Foreign, Commonwealth and Development Office (FCDO). For more information, please see the [Hazardous territories](#) section of this policy.

If you bought a single trip policy, your cover applies only to the countries shown on your policy schedule.

If you bought an annual multi-trip policy, your cover applies to trips within the geographic region shown on your policy schedule.

Hazardous territories

Before you travel, it's important to check the Foreign, Commonwealth and Development Office (FCDO) website at www.gov.uk/foreign-travel-advice for crucial travel advice, tips, and current information about different countries.

We won't cover trips to countries or regions with "all" or "all but essential" travel advisories from the FCDO.

- You may be able to claim for trip cancellation if the advice is in place 30 days before your departure and wasn't in place when you booked your trip.
- You're not covered if you cancel because the Foreign, Commonwealth & Development Office (FCDO) or the government advises against travel due to a pandemic or epidemic.

For health-related information and advice by country, refer to the World Health Organisation (WHO) website at www.who.int.

This insurance does not provide coverage for trips booked to certain hazardous territories, including Cuba, Iran, Syria, North Korea, Russia, Belarus, Crimea, Sevastopol and all non-government-controlled areas of Ukraine.

What you pay for your policy

The amount you pay for your policy, which is referred to as "premium", is the total we charge you to provide you with your travel insurance cover. The amount includes:

- The cost of providing your protection.
- Any extra amount for medical conditions you've told us about.
- The cost of any optional cover you've chosen.
- Any taxes and administration charges that apply.

This total amount is shown on your policy schedule and must be paid before your cover begins.

What we mean by doctor or midwife

Throughout this policy, the terms “doctor” or “midwife” refers to a person who is registered as a medical practitioner and has no personal or family relationship with you.

If you have a pre-existing medical condition

When we use the term “pre-existing medical condition”, we mean any condition you declared or should have declared to us based on the medical questionnaire you answered when purchasing this policy. These pre-existing medical conditions are listed on the medical declaration we issued to you when purchasing this policy.

This policy covers claims related to a pre-existing medical condition if it is listed on your medical declaration. Please check that this list is an accurate reflection of your health. If there are any issues, please get in touch using the details below.

You must inform us about all pre-existing medical conditions for each person listed on your policy schedule. If you notice anything that doesn't look right or is missing, please contact us using the details below.

If there are changes to these conditions between buying the policy and departing for your trip or during the term of an annual multi-trip policy, you must let us know.

You can do this by contacting us using one of the following options:

Phone: **0333 003 0021**

Email: admin@justtravelcover.com

We won't cover claims associated with pre-existing medical conditions not listed on your medical declaration.

What's not covered

1. Pre-existing conditions not listed on your policy schedule.
2. If your state of health is significantly worse than you initially reported to us.
3. If you know you will need medical treatment during your journey.
4. If one of the purposes of your journey is to obtain medical treatment (including cosmetic procedures).
5. If you are not fit to travel on your journey or travelling against the advice of a doctor. This also applies where you have not seen a doctor before travelling but based on your medical condition, a reasonable doctor would have advised that you were not fit to travel.

If you are on a waiting list for treatment

If you are awaiting a medical diagnosis for symptoms that you are currently experiencing, we will not be able to provide cover until you have a confirmed diagnosis, unless we have agreed to do so, and it is stated in your policy schedule.

If you do have a confirmed diagnosis and are currently on a waiting list for treatment or investigation, you are covered under this policy if your conditions are shown on your policy schedule, except for the following sections where cover is excluded:

- [Section 1: If you need to cancel your trip](#), and
- [Section 2: If you need to cut short your trip](#)

If you are on a waiting list for treatment or investigation, this does not affect your insurance cover on this policy other than as stated above. So, if you need medical assistance when on your trip for conditions which you have declared to us, or for new medical conditions that arise, then this policy will provide cover to you, subject to the terms and conditions stated in this document.

Should you become aware of a change in your diagnosis before you depart on your trip, please notify us immediately using one of the following options:

Phone: **0333 003 0021**

Pregnancy

A summary of the pregnancy-related cover provided by this policy is shown below. The full terms, conditions, and exclusions are contained in:

- [Section 1: If you need to cancel your trip](#)
- [Section 2: If you need to cut your trip short](#)
- [Section 5: If you need medical assistance during your trip](#)

What is covered

1. Cancellation (before you travel). We may cover cancellation where:
 - You become pregnant after booking your trip or purchasing this insurance (whichever is later) and you will not meet your transport operator's conditions of carriage; or
 - A doctor or midwife confirms in writing that you are medically unfit to travel due to unexpected pregnancy complications (as defined below).
2. Cutting your trip (after you have started your trip). We may cover:
 - unused travel and accommodation costs and the reasonable additional cost of returning home early if a doctor or midwife confirms in writing that you are medically unfit to continue your trip due to unexpected pregnancy complications (as defined below).
3. Medical expenses (while you are on your trip)

We may cover emergency medical treatment arising from unexpected pregnancy complications (as defined below), subject to the policy terms, conditions and exclusions.

We do not cover routine pregnancy care or planned childbirth.

Pregnancy complications – meaning

For the purposes of this policy, “pregnancy complications” means a medical condition arising from pregnancy that:

- Was not known or reasonably foreseeable at the time you booked your trip or purchased this insurance (whichever is later);
- Requires medical assessment or treatment;
- Is not part of the normal progression of pregnancy; and
- Is serious enough to prevent travel or require you to cut your trip short (as applicable).

Examples include (but are not limited to): pre-eclampsia, placenta praevia, placental abruption, premature rupture of membranes, premature labour, miscarriage, hyperemesis gravidarum requiring medical treatment, and gestational diabetes requiring medical treatment.

Pregnancy-related medical limits and key exclusions

Pregnancy-related medical cover is not provided for routine antenatal care, normal pregnancy symptoms, planned or elective treatment, or planned/expected childbirth or delivery.

If you are more than 28 weeks pregnant at the start of your trip (24 weeks for multiple pregnancy), pregnancy-related medical cover applies only if you have written confirmation from a doctor or midwife that you are fit to travel. We require this medical certification regardless of your method of transport, for instance if you plan to take a driving holiday to France.

We do not cover pregnancy-related medical costs if you are more than 32 weeks pregnant during your trip (28 weeks for multiple pregnancy).

Cover for pandemics and epidemics

You’re covered if you become ill with a disease classified by the World Health Organisation (WHO) as a pandemic or epidemic disease.

You’re not covered if you cancel your trip because the Foreign, Commonwealth & Development Office (FCDO) or the government advises against travel due to a pandemic or epidemic.

Please be aware of the following:

- We will require confirmation from a doctor that the condition is severe enough to warrant cancelling or cutting your trip short.
- We will only cover trips cancelled due to contracting a pandemic or epidemic disease if your policy was bought at least 2 weeks before you cancelled.

Volunteering and volunteer work

You are covered for the following volunteer activities, subject to the terms and conditions of this policy:

What this policy covers

Section 1: If you need to cancel your trip

You are covered if, before you depart for your trip, you need to cancel your travel, accommodation, and prepaid activities for one of the reasons below:

- You are covered up to the amount shown in the [Policy summary](#) section if you need to cancel your trip short for one of the reasons stated in [What's covered when you need to cancel your trip](#).
- An excess, which is shown in the [Policy summary](#) section, will be applied to this benefit. We'll take this off the amount you are claiming for.
- We will pay for your financial loss that results from cancelling your trip. We will only cover the loss that you cannot get back from other providers, for example, your credit card provider or airline.

What's covered when you need to cancel your trip

1. Your unexpected death, a serious illness, or a serious injury. This also applies to close relatives or a person you planned to travel with or stay with while travelling.

By "unexpected", we mean that you had no reason to think this would happen when you booked your trip or bought this insurance.

For injury and illness, you must have a doctor confirm your condition is serious enough to require you to cancel your trip. The confirmation must be:

- issued after your policy starts
- obtained before your scheduled departure date, and
- clearly dated and timestamped.

A close relative includes your partner (if you live together), parent or stepparent, child or stepchild, sibling or stepsibling, grandparent or step-grandparent, grandchild or step-grandchild, aunt, uncle, niece, or nephew.

2. Within the 30 days before your planned departure date, the Foreign, Commonwealth and Development Office are advising against "all" or "all but essential" travel to your destination.

For this to apply, the travel advice should not have been in place at the time of booking your trip or buying this insurance.

3. You being called for jury service or as a witness in a court of law, and this could not be postponed.

This does not apply if you are called as an expert witness or where your employment would normally require you to attend court.

4. Your unexpected involuntary redundancy or the unexpected involuntary redundancy of a person you planned to travel with.

This only applies if at the time of booking your trip or buying this insurance, you had no reason to think this might happen.

5. If, within 7 days of your departure date, you cannot live in your home because of damage due to fire, lightning, explosion, earthquake, subsidence, storm, flood, falling trees, riot or civil commotion, malicious damage, burst pipes or impact by aircraft.

6. If, within 7 days of your departure date, your home is burgled or vandalised, and the police request your presence at your home.
7. Your passport is stolen during the 7 days before your departure date.

This only applies if an emergency or replacement passport cannot be produced. You must provide a police report of the theft to claim for this benefit.
8. If you are a member of the armed forces or emergency services, you being ordered to return to duty.

 - Your doctor or midwife confirm you are unfit to travel due to unexpected pregnancy complications (as defined in the [Pregnancy](#) section of this policy).

Confirmation must be provided in writing and be time stamped with a date that is after you booked your trip or bought your policy (whichever is later).
10. If a natural disaster or terrorist attack happens within 14 days of your planned departure date and within 20km of your accommodation.

Natural disasters include floods, earthquakes, and volcanic eruptions.

What's not covered when you need to cancel your trip

2. Any circumstance that you knew about at the time you booked your trip or bought your policy and which could reasonably have been expected to prevent you from travelling.

For example, if you bought this insurance after your child had already fallen ill, or after you already knew their condition might prevent you from travelling. This exclusion does not apply to any pre-existing medical conditions that you have already declared to us and that we have confirmed in writing as accepted and covered by your policy.
3. Any claim for cancelling your trip due to illness, injury or pregnancy complications (as defined in the [Pregnancy](#) section of this policy) if you do not have written confirmation from a doctor or midwife (as applicable) that you are medically unfit to travel.

Section 6: If you have an accident during your trip

If you need immediate assistance while on your trip, please contact our international emergency assistance provider, Healix International, on **+44 (0) 208 608 4163**.

What's covered if you have an accident during your trip

1. You are covered up to the amount shown in the [Policy summary](#) section, if you are injured in an accident during your trip and you are permanently disabled or die as a result.

For the purposes of this section:

- "Accident" means a sudden, unexpected and external event.
- "Permanent" means a disability which, in the opinion of a doctor appointed by us, is not expected to improve and is likely to be lifelong.

The amount payable depends on the extent of your disability and is shown in your policy schedule.

Examples of covered accidents include:

- A road traffic collision resulting in permanent paralysis.
- A fall from height caused by structural failure resulting in traumatic brain injury and permanent impairment.

The following examples would not meet the definition of an accident:

- An injury caused by illness (for example, a stroke or heart attack that leads to a fall).
- Gradual or repetitive strain injuries.
- Degenerative conditions or wear and tear.
- Straining a muscle while lifting luggage where no sudden external event occurred.

2. You are only covered for accidents that occur while taking part in activities listed in the [Activities that are covered](#) section, and only if the relevant activity pack or upgrade is shown on your policy schedule.

3. The amount we pay under this section depends on the extent of your disability. The amounts we'll pay are shown in the table below.

		Benefit amount
1	Death	As per the Policy summary section.
2	Permanent total disability	Up to the amount shown in the Policy summary section. The amount we pay depends on the extent of your disability. We will appoint a doctor to confirm this.

What's not covered if you have an accident during your trip

1. Accidents that do not occur during your trip.
2. Anything that is not caused by an accident as described above.
3. Injuries that is caused by, or results from, an illness (physical or mental), disease or gradual wear and tear.
4. Anything mentioned in [What this policy doesn't cover](#) section of this document.

Section 7: If your baggage is delayed

What's covered if your baggage is delayed

We will pay up to the amounts shown in the [Policy summary](#) section for each 24-hour period that your checked-in baggage is delayed in reaching your outbound destination.

- Your checked in baggage must be delayed for at least 24 hours before you can claim on this benefit. For the avoidance of doubt, this does not cover baggage or personal property delayed on the return leg of your trip home.
- For a valid claim, we will need to see a written statement from your transport operator or tour operator confirming the length of the delay. We will only pay this benefit if your carrier or tour operator has not compensated you for the delay.
- If your baggage proves to be permanently lost and you claim under [Section 8: If your personal property is lost, stolen or damaged](#), we will deduct what we paid you for your delayed baggage from your lost baggage claim.

What's not covered if your baggage is delayed

1. The excess per insured person, which is shown in the [Policy summary](#) section, unless you bought the excess waiver upgrade. See [Section 14: Excess Waiver](#) upgrade for details.
2. Baggage delayed for less than 24 hours.
3. Baggage that is delayed or held by customs, the police, or other officials.
4. Any claim where compensation is available from your transport operator or tour operator, unless you have a document from them explaining why no compensation was given.

6. Baggage that is delayed on your return home.
7. Anything mentioned in the [What this policy doesn't cover](#) section of this document.

Section 8: If your personal property is lost, stolen or damaged

This policy covers you up to the limits shown in the [Policy summary](#) section if your personal property is lost, stolen or damaged during your trip. We will pay a reasonable cost to replace items as new, unless they can be repaired at a lower cost, in which case we will pay the cost of repairs.

Personal property includes items that belong to you and are listed in the table below.

- Please refer to the list of items not covered in the [What's not covered if your personal property is lost, stolen or damaged](#) section.
- Please note that mobile phones and other electronic devices are not covered by this policy.
- We'll cover your money if it's stolen, but not money that you accidentally lose or misplace.
- When we say 'valuables' we mean personal items of value including:
 - Jewellery and watches made of or containing gold, silver, precious metals, or precious and semi-precious stones.
 - Spectacles and sunglasses.
 - Antiques and anything made of fur or silk.
- If an item comes in a pair or set, we will treat the pair or set as one item.

You must take reasonable care of your belongings. Failure to do so may result in a reduced payout or denial of your claim. When you are not with your property, it must be locked in your accommodation or vehicle.

- Valuables must be kept with you or kept under your direct supervision while traveling. They must not be checked in or placed in the luggage hold of a vehicle, coach, train or aircraft.
- Valuables must be kept in a safety deposit box if available.

As part of the claim assessment, we will need to verify the ownership, condition and age of your personal property using original receipts, bank or card statements proving purchase, photographs, product registration, repair reports or other reasonable evidence.

Any claim that is fraudulent or exaggerated will result in denial of the claim, cancellation of your policy, recovery of any payments made, and may be reported to law enforcement.

All claims must be supported by independent evidence of loss, theft, or damage.

We will only cover amounts that cannot be recovered elsewhere.

If your winter sports equipment is lost, stolen or damaged

When the [Winter sports upgrade](#) has been selected, and is reflected on your policy schedule, winter sports equipment will be included as personal property and covered under this section, subject to its terms, conditions, limits and exclusions.

Please also read [Section 12: Winter Sports upgrade](#).

Winter sports equipment will be assessed as Sports equipment in the table below.

Examples of what we might need to pay your claim

- For claims related to stolen property we require police reports describing the stolen property and confirming the date, time and location of the theft.

- For theft claims from your locked accommodation or vehicle we will ask to see evidence of visible signs of forced entry.
- For claims related to damaged property we require reports from reputable repair shops documenting the extent of the damage and the cost of repair.
- Where relevant, we may ask to see a written report from your transport operator, tour operator or accommodation provider to support your claim.

If your personal property is lost, stolen or damaged while in the care of an airline, another transport operator, or your accommodation provider, you must report it within 24 hours.

We will need to see a written report from them, such as a property irregularity report, which describes the event that led to your claim, and the amount of your loss that will be covered by them.

The amount we will pay is set out in the table below. If the item you are claiming for is not shown in the table, we will use the most appropriate category to estimate the value of the item:

Personal Property	Less than 6 months old	6 months to 1 year old	1 year to 2 years old	2 years to 3 years old	3 years to 4 years old	More than 4 years old
Jewellery, and watches	95%	90%	85%	80%	75%	70%
Clothing, shoes and accessories	80%	70%	50%	20%	0%	0%
Sports equipment	80%	65%	45%	30%	20%	0%
Luggage, prams, car seats and other such items	95%	75%	50%	25%	0%	0%
Cosmetics, perfume, and other toiletries	60%	30%	0%	0%	0%	0%

You are covered up to the amount shown in the [Policy summary](#) section to repair or replace (at our choice) your winter sports equipment if it is lost, stolen, or damaged.

We don't cover winter sports equipment if it is:

- Confiscated by customs, the police, or other officials.
- Left unattended in a public place or vehicle unless the items were left in a locked vehicle and were out of sight. There must also be proof that someone used force to break into the vehicle.
- Damaged by something leaking in your luggage, such as powder or liquid.
- Scratched or dented, unless they make the item unusable.
- Damage caused by moths or vermin.

- We will pay you a percentage of the original purchase price of your winter sport equipment up to the limits shown in the [Policy summary](#) section.

The percentage we will pay depends on how long ago you bought the equipment. You will need to provide the original receipt for us to pay you.

If your money is stolen

- We will pay up to the amount shown in the [Policy summary](#) section if your money is stolen while you were carrying it on your person or if you left it in a locked room or safety deposit box.

When the winter sports upgrade has been selected, and shown on your policy schedule, winter sports equipment is treated as personal property and is covered under [Section 8: if your personal property is lost, stolen or damaged](#), subject to that sections terms, conditions, limits and exclusions.

This policy covers you up to the limits shown in the Policy summary section if your winter sports equipment is lost, stolen or damaged during your trip. We don't cover winter sports equipment that is confiscated by customs, the police, or other officials.

Ski lift pass

If your ski lift pass is lost or stolen, we will pay for the unused portion of the pass, based on its value when it was lost or stolen.

We will pay you up to the amount shown in the [Policy summary](#) section for this benefit.

Ski package (including ski lift pass)

If you get sick or are injured during your trip, and a doctor confirms that you are not able to ski or snowboard, or use the ski pack facilities, we will pay for the unused portion of your prepaid, nonrefundable ski or snowboard package (including any unused ski lift pass element).

Ski package means your prepaid, non-refundable package for skiing or snowboarding, which may include a ski lift pass, equipment hires and/or lessons.

We will pay you up to the amount shown in the [Policy summary](#) section for this benefit.

- Where your travel dates fall between December and April (Northern Hemisphere) or May and October (Southern Hemisphere).

You must obtain written confirmation from the ski resort management confirming:

- The reason for closure;

6. For lost, stolen or damaged winter sports equipment, anything mentioned in Section 8, [What's not covered if your personal property is lost, stolen or damaged](#).
7. Anything mentioned in the [What this policy doesn't cover](#) section of this document.

If you intend to take a cruise, you must have bought this cruise upgrade for your policy to be valid. This section only applies if you are going on a cruise, have paid the appropriate extra premium, and this cover is shown on your policy schedule.

All claims under this cruise upgrade must be supported by independent evidence of the event and of any costs you are claiming. This may include confirmation from the cruise operator, the ship's medical officer, a treating doctor, the transport provider, or other relevant authority, as well as receipts or booking confirmations.

Missed departure

This section covers you if, for a reason listed below, you miss the first international departure of your cruise (the first port where your cruise is scheduled to leave the UK).

We will pay up to the amount shown in the [Policy summary](#) section for reasonable additional accommodation (room only) and necessary travel expenses incurred to join your cruise at the next docking port.

Covered reasons for missed departure:

1. The failure of scheduled public transport due to poor weather conditions, natural disaster, terrorist attack or unexpected strike or industrial action that directly affects your travel itinerary.

By "unexpected" we mean that you had no reason to think this would happen when you booked your trip or bought this insurance.

2. An accident to or breakdown of the vehicle in which you are travelling (this does not include your vehicle running out of petrol, oil, or water, having a flat tyre, puncture or flat battery).
3. An accident or breakdown occurring to another vehicle ahead of you on a road, which causes an unexpected delay to the vehicle in which you are travelling.

You are covered if you are confined to your cabin by the ship's medical officer for medical reasons.

We will pay up to the amount shown in the [Policy summary](#) section for each day that you are confined.

Unused prepaid activities

If you can't take part in a prepaid activity because you become ill, injured or are hospitalised during your cruise, we will pay up to the amounts shown in the [Policy summary](#) section for the cost of the prepaid activities you do not use.

Missed excursion

You are covered by your insurance if you miss an excursion on your cruise. When we use the term "excursion", we mean a specific activity you had arranged to take part in during your cruise, for example, visiting a particular city, which involves disembarking your ship.

We will pay up to the amount shown in the [Policy summary](#) section for each excursion you miss on your cruise because of conditions outside the control of the cruise operator.

This must be confirmed by the cruise operator in writing, stating that you were scheduled to take part in the excursion and why it was missed.

Cruise interruption

This section covers any reasonable additional travel expenses you must pay to reach the next port so you can rejoin your cruise, following hospital treatment during your trip.

We will pay up to the amount shown in the [Policy summary](#) section for this benefit.

For example, a strike or industrial action that affects your trip, which was announced or had started before you booked your trip or bought this insurance.

4. Anything mentioned in the [What this policy doesn't cover](#) section of this document.

Section 14: Excess waiver upgrade

This section applies if you have bought the excess waiver upgrade, paid the appropriate extra premium and this cover is shown on your policy schedule. When this cover applies, the standard excess shown in the [Policy summary](#) section will not apply to any eligible claim under this policy.

What's covered by your excess waiver upgrade

- We will waive the excess you would normally pay under each section of cover where an excess applies.
- The Excess Waiver applies per insured person for each claim made during the period of insurance. You will not have to pay any excess amount for a valid claim under those sections.

What not covered by your excess waiver upgrade

1. Any administration or processing charge imposed when handling a claim because of:
 - Fraudulent, false, or misleading claims
 - Breach of policy terms and conditions
 - Claims made outside the insured period
2. The excess waiver cannot be added or applied retrospectively after the policy start date
3. Anything mentioned in the [What this policy doesn't cover](#) section of this document.

We won't cover injuries caused by you taking part in a professional or semi-professional sport. This includes playing, practising, and training.

We won't cover any injuries that happen when you're on a motorised vehicle, such as quadbikes and motorcycles, unless you have bought the [Category B activities upgrade](#) and it is shown on your policy schedule.

We won't cover you if doing so would mean we're breaking any laws or regulations.

We also won't cover claims that result from you breaking the law or taking part in a criminal activity. For example, if you drive while under the influence of alcohol.

Alcohol, medicine, and drugs

We may not pay a claim if alcohol caused or actively contributed to the event you are claiming for.

We won't cover injuries caused by accidents if you're under the influence of medicine and don't follow the instructions. This includes both instructions that come with the medicine or that are given to you by a doctor.

Sanctions

We won't provide any cover or benefits, or pay any claims, if by doing so we would breach any sanctions, laws or regulations that apply to us or our parent companies.

Sanctions, laws, and regulations can prevent us from doing business with or involving certain countries, groups, companies, and people.

Electronic data

We will not pay for the value of any electronic data. If electronic data processing media (for example, a laptop hard drive, tablet, phone, USB stick, memory card, or other storage device) suffers physical loss or damage that is covered under this policy, the most we will pay is:
